RE: Update to Clarification of Scheduling of Summons

Due to the concerns over the coronavirus, the Akron Municipal Court is asking for all new traffic summons issued to be scheduled for court starting on April 6, 2020 and beyond. Each new traffic summons should be scheduled 21 days out from the date of issuance instead of the normal 7 days. The 21 days out from the date of issuance is for Traffic Cases Only! The Criminal Summons will follow our normal procedures and are not included in the change. I apologize for any confusion regarding the summons. Again, this limited change will be in effect through March 31, 2020. Please notify all personnel regarding this schedule change.

Thank you.
